

# PLUGIN OVERVIEW

## Practice Management *Streamlined*

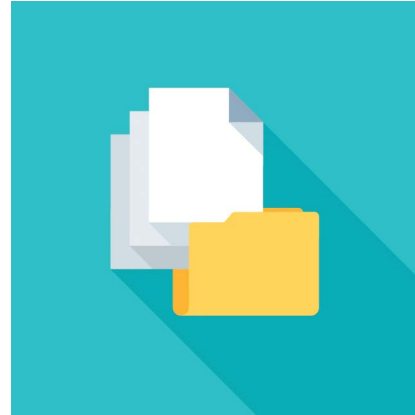

IC System's NEW practice management plugin will help your practice run smoother and faster. Our FREE plugin offers a convenient cloud-based practice management app for dental offices that will help you optimize your accounts receivable.

### **INCREASE YOUR REVENUE**

by standardizing procedures and timelines

### **STREAMLINE**

existing office processes by automatically sending debts for collection

**SAVE TIME** by eliminating the time-consuming task of manually entering debts and submitting payments

**CONNECT** your patient data directly to IC System for instant account submittal

DOWNLOAD IC SYSTEM'S PRACTICE MANAGEMENT PLUGIN and connect YOUR PRACTICE with IC System. Compatible with all major practice management systems. Here are just a few:

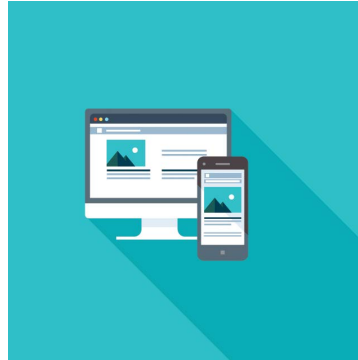

# How it *Works*

**CHOOSE A SERVICE**  
that suits your needs to  
optimize your recoveries

**REGISTER** and login to the SIKKA utility through a secure process. Setup your practice management software vendor, version, and data path. Personalize your practice's other settings as well.

**SUBMIT ACCOUNTS INSTANTLY.**  
Set up automatic rules for  
submittal or select individual  
accounts for collection efforts.

**Submit  
Debts  
Faster**

**Report  
Payments  
Faster**

**Get Paid  
Faster**

IC System's Dental Debt Collection services ensure that your staff saves time by allowing your practice to submit accounts instantly.

Connect your practice management system with our plugin

Submit accounts *instantly* to IC System for recovery
